**Total Award: \$45,000 over 1 year**

***Presidential Authority Grant***

For membership and general support of the Environmental Grantmakers Association (EGA), a project of the Rockefeller Family Fund. EGA seeks to increase awareness of the relationship between environmental grantmaking and other areas of grantmaking, and to encourage all types of philanthropic programs to support environmentally-related activities. This grant will also help support EGA's 2005 Fall Retreat to take place in New Paltz, New York.
